

Governor's Economic Vitality GMAP Forum
Wednesday, April 11, 2007

Binder tab/slide numbers	Topic/ Recommended time	Lead(s)	Key points and key slides
Tab 1 Slides 1-6	Employment update 5 minutes	Karen Lee	Job growth (Slide 1) continues to outpace the rate needed to create 250,000 net new jobs by the end of 2008.
Tab 2 Slides 7-11	CTED performance measures 10 minutes	Juli Wilkerson	CTED has reported outcomes and limited activity data for its economic development and international trade division (Slides 9 and 11).
Tab 3 12-20	Licensing (Agriculture) Permitting (JARPA) 10 minutes	Valoria Loveland (AG) Jeff Koenings and Jay Manning (JARPA)	Agriculture is poised to make a major reduction in time to license for food processors (Slide 13). The JARPA agencies continue to examine issues of incomplete applications and time to permit. Application form (first document in background section) should be re-written in Plain Talk. <u>The JARPA form is not a PowerPoint slide.</u>
Tab 4 Slides 21-30	Agency collections 10 minutes	Cindi Holmstrom Karen Lee Judy Schurke	DOR and L&I are increasing collections (Slides 21 and 25). ESD is discovering more money owed, but collection trends are not reported.
Tab 5 Slides 31-38	Job Placements Return to work 10 minutes	Karen Lee Judy Schurke	L&I continues to try to improve return-to-work services, but the success rate has not changed significantly in three years (Slide 31). ESD is implementing a new model for job placements across the state (Slide 36).
Tab 6 JARPA form and Slides 39-48	Background information	Agency directors	<u>The JARPA application form (not numbered) is the first document in the background section.</u> Other documents reflect additional detail from agencies.
Tab 7	Fiscal report	Agency directors	No major issues to report.
Tab 8	Human resources summaries	Agency directors	HR summaries reflect October 2006 agency reports to DOP.
